DEAR PARENTS, DEAR KIDS!

To ensure that your child has an unforgettable and safe holiday, we ask you to bring your child to the childcare centre in person, to sign in on the list and to pick them up again in person. If your child comes alone and is not registered, this means for us that your child can go alone at any time and move freely around the hotel.

Meals: Please let us know if your child would like to eat at the children's club.

The programme is subject to change and can be found in the information on the door to the playroom.
